The Massachusetts Bar Association's Judicial Administration Section is very pleased to bring its "View from the Bench" program series to Western Massachusetts. View from the Bench programs provide valuable insights for new attorneys and seasoned litigators, allowing for an opportunity to pose questions to the panel in a comfortable and confidential environment.

Judicial Administration Section Vice Chair Thomas Bond will moderate a panel discussion with four sitting judges discussing:

- The new and proposed Superior Court rules
- Final trial conferences
- Motions in limine

**The event is open to all, but space is limited.
We strongly recommended attendees register in advance.**
